What to expect at our evaluation?

We try to make the evaluation process as low stress as possible. Candidates will learn a short routine which will be on the Express Cheer Website and perform it to the best of their ability. Then they will have an opportunity to show us any different running tumbling passes, standing tumbling or jumps that they would like us to see. Everything we need to see, they will have a chance to show us during the evaluation process.

Does everyone make a team?

We have many different level teams at Express, therefore if your child has the required skill, we will find a place for them on a team. Some students may not be ready for the structure that is mandatory in our practices. These cheerleaders will be offered a position in our All-Star Prep program - IMPACT.

How important is tumbling?

Tumbling is important; however, just because you can perform certain tumbling skills does not guarantee a spot on a specific team. Express is looking for strong motions, jumps, strong work ethic, and an all-around athlete.

Policies and Procedures

The Express All-Star competitive cheerleading program is not a recreational program! We want athletes that are ready to improve their skills and to be motivating, hard working team members. The coaching staff at Express expects 100% attendance from all members. We will not master our routines and have the polished look that we expect if members are late or absent. We expect each athlete to remain in excellent physical shape, to be the best individual they can be at school and their community, and to stay on top of their grades at school. Being a part of a program like Express takes commitment and loyalty. We realize that these expectations are extremely high, but when you aim high, you reach higher goals!!! We want your athlete to have the ultimate experience. By setting our standards high, we will meet any goals that we set.

RULES OF THE GYM:

1. Only registered students will be allowed in the gym, any other person entering the gym must first receive permission from an Express Staff member.
2. No food or drinks are allowed in class.
3. We discourage and ask that parents refrain from commenting or communicating with athletes and coaches during practices.
4. You must advise your coach in advance if your child will be arriving late or leaving early from practices.
5. All students must wait inside the building to be picked up.
6. No physical activity can begin unless an instructor is present.
7. If a student is injured or sick and not contagious, they are required to attend practice, but not participate.
8. No cell phones are to be used during team practices.

CLASS TUITION:

1. Monthly tuition is due on or before the 20th prior to each month.
2. A late fee of \$20 will be assessed for payments received after the 1st of each month, unless prior arrangements have been made.
3. Please note your athletes name on the bottom left corner of the check.
4. All returned checks must be paid in cash along with a \$35 service charge.

CLASS MAKEUPS:

1. There is no such thing as a makeup for a missed practice.
2. To receive a makeup for tumbling classes, you must notify Express prior to absence.
3. Make-ups are offered based on class availability.
4. Express observes major holidays, make-ups nor prorating will not be provided for these missed classes.

- Presidents' Day
- Memorial Day
- Summer Break
- Independence Day
- Labor Day

ADDITIONAL EXPENSES, ATTENDANCE, AND OTHER INFORMATION:

1. Athletes will incur extra costs not included in tuition, it is understood that such costs include, but are not limited to: warm-ups, shoes, tumbling or specialty training classes, etc. and are the sole responsibility of the parent or guardian.
2. Express athletes are required to attend all practices. If habitual absences occur; athletes may be removed from the team without notice and no refund will be provided. Also, please note that if an athlete misses practices the week prior to a performance, regional or local competition and, two weeks prior to a national competition it is at the discretion of Express and its coaches whether or not they perform.

2a. Absences:

Each team member may only have two unexcused absences after August 15th. Unexcused absences must be approved by a member of the Express Cheer staff at least two weeks prior the date of the absence/s. No unexcused absence will be allowed at any practice that involves choreography. No unexcused absence will be allowed one week prior to regional competitions or two weeks prior to national championships. An excused absence is limited to mandatory school functions **for a grade**, school cheerleading, death in the family or contagious illness (fever, vomiting or diarrhea). All regional and national championships are mandatory for all team members. Missing practice for any other reason other than the three listed previously will also result in an UNEXCUSED absence. This includes, but is not limited to:

- ◆ Too much home work / studying (please plan ahead)
- ◆ Don't have a ride (again, please plan ahead)
- ◆ Work

2b. Attendance:

Express is successful because of our MANDATORY attendance policy.

All practices are mandatory. There are few excused practices; refer to absences.

We work hard at scheduling practices around school cheerleading so that athletes can participate in both school and all-star cheerleading.

Other sports that conflict with Express practices are NOT excused.

Cheerleaders will know their schedule prior to the beginning of the season, if a conflict with an outside sport arises, cheerleaders must choose before the season begins.

Communicating with your coach will make for a successful year.

An absence request form must be submitted 2 weeks prior to the absences. Forms are located in the lobby and in our document section on our website and must be handed to your coach directly. Absences must be approved. We will verify with school administrators or the school if we think someone is being dishonest. Be prepared to show documentation for absences. NO absences are permitted the week prior to an event.

Do not plan family vacations or trips during or around competitions, if you have done so you must inform Express in writing before you are admitted onto a team. Understanding that this is a team sport and if one person is missing it is basically a waste of time for everyone else. Our routines are carefully choreographed to use the talents of each athlete to the maximum level, missing or skipping practices jeopardizes the success of the entire team and Express cannot allow that!

Summer Absence Policy

Athletes are allowed up to 4 absences (that's four weeks) for family vacations during the months of May – August 6th. However, athletes cannot miss choreography sessions. Absences may be in conjunction with any of the listed summer breaks. Please plan accordingly. Summer closures are June 3-7 and July 1-5. Additional absences will jeopardize an athlete's placement on their perspective team.

3. Express athletes are required to attend all competitions. Everyone will receive a competition schedule and if you can not attend the competitions, then you should not join the team.
4. It is understood that Express reserves the right to dismiss an athlete from any practice or remove them from a team if their behavior is deemed inappropriate.
5. Athletes that miss practice will be required to do conditioning at the completion of the following practice.
6. Please be aware that inappropriate displays of behavior from parents can also result in removal of athletes from teams. This applies in all situations. Such situations include, but are not limited to: practices, performances and competitions.
7. Express employees, athletes, parents and all other affiliates, pride themselves on good sportsmanship and supportive attitudes. Also, there will be no comparison between Express and any other similar programs. All Express affiliates, understand and support their athletes at the level which they are presently and continue to support their progression.
8. Express expects and demands communication between directors, coaches, athletes and parents. Most, if not all, problems and situations can be resolved with communication, please no assumptions.
9. All practices are closed to boyfriends/girlfriends and athletes from other gyms. We reserve the right to close practices to parents. Sunday Practices will be closed.
10. Express employees have a reason for everything they do. If at any time you have questions about your athletes or their progress, do not hesitate to discuss it with your coach, outside of practice.

ADDITIONAL EXPENSES, ATTENDANCE, AND OTHER INFORMATION CONTINUED:

11. Cancellation Fee:

A fee of \$500 will be applied to any person who leaves the gym voluntarily, or for disciplinary reason. The program incurs additional costs when an athlete leaves. Re-choreographing a routine, no matter how early in the season is a very costly and a time consuming process.

12. Sick Policy:

All athletes must attend practice when they are sick. Athletes may be removed from their team and the program for not following this rule. You will not be required to participate, but you must be present. You must provide a doctor's note with detailed information regarding illness, treatment length and recovery. This includes dental, medical and any other health related issue that would prohibit an athlete from participating. Extended sickness like Mono or Step throat will jeopardize an athlete's position on the team.

13. Code of Conduct/Sportsmanship:

A member of Express must be a strong representative at all times, we value the principles of good sportsmanship and it is very important to our program. We expect that you will keep your public social media clean and family friendly at all times. Remember you are a direct reflection of Express. If you are caught demonstrating: abusive behavior, lying, and of any other form of negative behavior; it will be grounds for removal.

Express will not tolerate gossiping, pettiness, back talking or any disrespect to teammates or the instructors. After a warning a team member will sit out of practice until the problem is solved. If the problem is not solved, a parent will be notified of the problem or infraction of the rules and will be expected to assist in solving the problem. If the issue is not resolved it will be grounds for removal.

14. Social Media and Proprietary Information:

The use of Spirit Athletics LLC, Express Cheer & Dance DBA, Express Cheer – Dallas DBA, White Rock Tumble & Cheer DBD or any other subsidiary of our companies is strictly prohibited. You should not use our name in e-mails or other social media type formats or on apparel or the use of promotional materials. No portion of our routines, music, dances, stunts, transitions, etc., should ever be shared or used in any forum outside of our program.

15. Tumbling, Proper Progression & Mental Blocks:

If an athlete is not able to perform the necessary skills required for their level, they will be required to enroll in tumbling or specialty training class. Anyone with a mental block or refusal to perform required skills for their level, may be sent home at the discretion of the coaching staff. We will not allow athletes to progress without proper technique. If you do not agree with or understand our training methods, then you should not cheer at Express. Only perfected skills will be choreographed into our routines.

16. Team Practice Rules:

All practices are closed to boyfriends/girlfriends and athletes from other gyms. Practices will be closed during January and February. All cell phones should be turned off during practices. No jewelry should ever be worn at practices. There is no videotaping of practices. Lost, misplaced or damaged clothing will be replaced at your expense. Anyone late or dressed incorrectly will condition after practice. Remember we are training champions and teaching responsibility.

17. Pay to Train:

Tuition does not pay for the right to perform or compete. Individuals must meet the skill level requirements. Failure to pay tuition by the 1st of each month will result in an athlete sitting out of practice.

18. Competition Weekends:

Please do not make any additional plans the weekend of a competition. Express athletes are expected to stay and support one another. We ask that parents sit together; it creates unity and makes for a loud and much more exciting atmosphere for our athletes, the louder the better.

19. Choreography Camp:

All athletes are required to attend their choreography camp. These dates will be released after teams are formed.

20. Tumbling & Specialty Training Classes:

Because of the complexity of the score sheets, there are many factors that are taken into consideration. Tumbling is a large portion of the score sheet. Any athlete that does not have the required skills for their level will be required to take a tumbling or specialty training class at an additional \$50 per month, per class.

21. Team Reps and Communication:

Most communication is done through e-mail, posted on our social media and dispensed by our Team Reps. It is your responsibility to make sure your on-line account is current and that your contact information is up to date with your Team Rep.

22. Balances/Late Pay:

If you are carrying a balance on your account, your athlete will not be able to take additional classes or private lessons until your team tuition has been paid. In addition, if your monthly tuition is not paid by the 1st of each month, your athlete will be sat out of practice until your account is current.

23. Refunds:

There are NO refunds.
