- The cost of a birthday party is \$250 for up to 15 children. For additional children, including uninvited siblings of guests, there will be an upcharge of \$50 for up to 5 children (ie, 16-20 would be an additional \$50, 21-25 would be an additional \$100, and so on). Please ask children you do not wish to pay for to sit in the party room. **PLEASE NOTE:** All children who go beyond the black gate must be signed in and will count towards your total, regardless of age, unless they remain in a buggy on the wooden floor only (in the case of families with infants).
- You may arrive 15 minutes prior to your child's party. After the party ends, you will have 10 minutes to clear the gym. At no additional cost we gladly provide balloon-print table coverings and non-helium balloons (you are welcome to provide your own decorations instead as long as they are dropped off by 6pm the day prior to your party at the latest).
- EXPRESS staff will handle any decorating and set-up pre-party. EXPRESS staff will handle all clean-up and breakdown as well.
- The schedule for the party will consist of 1 hour of play time, then 30 minutes for you to serve any food and drinks you choose to provide in the party room. **No guests will be allowed back into the play area after the first hour is up or after any food is consumed by the children (no exceptions).**
